U SERIES

# Sunón

# THERE ARE A THOUSAND YOU IN A THOUSAND PLACES.

At the same time, you are always being yourself, on work or off work, for collaboration, independent thinking or making decision in a meeting.

U series sofa draws its inspiration from the letter "U" for its mellow shape, and the multifaceted "YOU" is naturally revealed on U series sofa.

# UU, LIKE A SMILING MOUTH

The U-shaped contour offers an idyllic scene. Its shape looks like a pistachio, or a mouth wide open, laughing out loud.

#### **45-degree Section: Art of Beveling**

Clean beveled edge makes the seat and back more harmoniously unified. The 45-degree section of three fingerbreadth offers softer support for your elbows. The hidden stitching technique helps hide thread, sketching its stereoscopic contour.

### Double Sofa Pillows for 100% Interactivity

The two cobble-shaped pillows of 10cm width, one for leaning and one for holding, spark inspiration during interactivity and add joy to any conversation.

# SOFA AND COFFEE TABLE

### Various Types for Delightful Space

V-shaped circular steel leg offers support to the whole table surface, and 10 kinds of coffee table surface are available for your choice, creating joyful space. With either square or round table, creative ideas are here exchanged freely.

Talk freely about the new trend on U series...

With such sight in your eyes, you could free your imagination, and artistic taste for space is naturally revealed.

**Jacquard Weave Originated from Han Dynasty  
Interwoven Landscape into the Picture**

Interweaving yarns with jacquard weave technique after dyeing is a very delicate and difficult procedure, with which the scene will be manifested after more than 1000 times of weaving. Using this technique, U series allows you enjoy the ink painting during casual chat.

## Flower Painting

**One-piece Steel Leg,  
Assemble or Disassemble at Your Convenience**

With fine tubular steel leg and 120-degree slant angle, comfort is assured. There are only 4 screws for fixing the legs, making it easier to assemble and disassemble.

## UY, THOROUGH EXPRESSION OF ELEGANCE

Naturally blossom like a Calla lily, UY is designed with a "Y" shape to demonstrate its unique temperament, as if the space is filled with its fragrance. Each minute of chatting and sitting here manifests your identity.

Design of UY was led by renowned STUDIO MITO from Italy. Inspired by the blossoming shape of Calla lily, the designer adopts the elegant roundness of the flower to shape the chair base, and designs a bionic reclined headrest inspired by cornices. You are comfortable sitting here with a feeling of being hugged. Immersed in the stylish and leisure space created with UY chairs, your temperament fully reveals no matter what you do.

### **Petal-shaped Cutting and Stitching**

Beautiful as if it comes from a scenery picture, making your space a visual treat.

#### Headrest, Surround Your Neck and Give Soft Support

WELCOME  
A CHANGE  
OF  
SPACE

**Poetic Leisure view.**

"Integrate design with human nature and create carefree spaces. Always follow your heart."

— ITO  
Start in 1987

### La La Land

Alongside the coastline, waves battered the rock, seagulls hovered around, two fin whales frolicked in the distance and a sailing boat loomed up out of the fog... Designers of ITO incorporate the sailing boat into the design and use the sail as the mainframe and cobblestone as the base. Inheriting the wisdom of raising sails and lowering sails, a flip sofa comes into being, bringing you into a La La Land the moment you sink into it.

# PRACTICAL CREATIVE
