I-KEY

Sunón

I-Key

"I- KEY, the key to success"

"I-key", name by its shape of a key. The design makes this "key" concise but not easy. I-Key opens the door of success easily.

It is always a pleasure to greet a friend from afar

Full of geometric lines combined with a variety of materials - This is I-Key welcoming guests in a super perfect image.

Fabulous tutii of wood and stone

The combination of marble board with deep-colored and light-colored wooden boards, turns these two traditional building materials into harmonious and melodious "Advanced Alliance if Wood and Stone" The high table-top is of information desk, and the lower top is for negotiation. Different parts play different roles, divided professionally and considerately.

An unprecedented and powerful functions of wire management.

I-key, inclusive because of its storage and calm as being very neat, own powerful functions of wire management, enough space for knees, satisfying you functional requirment at any time.
